Fellow ONCJC Members

As we turn the calendar to July and all the things summer brings, we must first pause a moment to remember Diana Williamson who has recently passed away. Diana and her husband Jack have been members of the Club almost since the beginning. They were the first ones that gave Penny and I a dance lesson when we joined the Club. Diana was a steadfast supporter of ONCJC serving in many capacities; as President as well as other Board positions, she served on many, many committees over the years and choreographed several dance routines for the members to perform. Please keep Jack and the rest of Diana's family in your prayers as they go through this terrible time.

I want to thank all the members that took the time to complete our questionnaire even though my instructions seemed to cause some confusion. We received responses from 105 members, which is fantastic. Your answers and additional comments will be very helpful to the Board when plans for resuming dancing are developed. At this time the Quirk is still closed, and we have not received any additional information from them. I will share with all of you the results of the survey as soon as the Board has a chance to review and discuss them.

As you may have assumed, all Club activities are suspended at this time. Please keep in touch with one another, especially those that live alone. Until we can meet again, please stay safe and wash those hands.

Your faithful President John

She Is Gone

*You can shed tears that she is gone
Or you can smile because she has lived*

*You can close your eyes and pray that she will come back
Or you can open your eyes and see all that she has left*

*Your heart can be empty because you can't see her
Or you can be full of the love that you shared*

*You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday*

*You can remember her and only that she is gone
Or you can cherish her memory and let it live on*

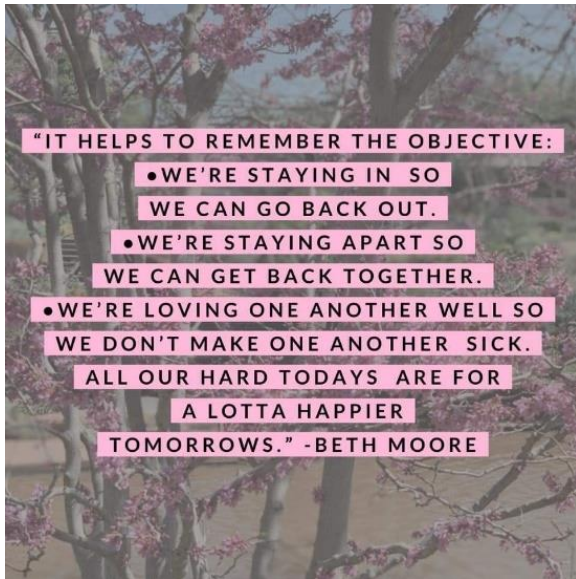

*You can cry and close your mind, be empty and turn your back
Or you can do what she would want: smile, open your eyes, love and go on.* David Harkins
