APRIL 2022

Wow it's hard for me to believe that it is April Fool's Day already. It seems like we were just putting our coats on and saying Happy New Year after our Christmas dance.

Well not only is it 2022, but it is also ONCJC's 25th anniversary. Yes, that's right 1997 was the start for this wonderful Club. From humble beginnings and a few different dance floors, we have survived 25 years. Throughout the year we will be celebrating our milestone so pay attention to the newsletter or better yet, come on out to the Slovene Center and celebrate with us. We are planning a 25th Anniversary Dance for later in the year, more details will come later.

Check out the newly updated activity schedule in this newsletter. We have some exciting activities that members have been asking for, but as always, we need volunteers to head these events. Please check the list and if you are willing to help, please contact a board member. In addition, to this list we are going to bring back our big board with all the proposed events listed.

Also, in this edition of the newsletter is the information on our Spring Dance to be held at the Slovene Center. We are co-hosting this dance along with the Slovene Center. Tickets are open to the public and will be sold on Wednesdays at the dance, or you can mail in your check to our PO box.

At our recent board meeting, there was a lot of discussion about dance lessons or more importantly, the lack of lessons. As I have written in past articles, we have not had much success getting members to offer to teach lessons. It was suggested by a member that we open the dance floor at 7:00 pm to anyone that might be willing to share a dance move to another person or two with no music and no microphone. It is possible that we could have several groups sharing dance moves without anyone having to commit to "teaching" in front of the whole Club. If this is something that might interest you, please come at 7:00 and check it out.

I apologize for the confusion about our annual charity drive. I originally announced we would not support a charity this year, but after some discussion at the board meeting, I discovered that I misspoke. Therefore, we will be supporting a charity this year and our Chairperson, Mary Friberg will have more information in the coming weeks.

Well now it's time for me to say, I'm proud to be your President...

DANCE LESSON INFORMATION

Carol is teaching beginner and beyond East Coast Swing on the first and third Wednesdays (April 6 and April 23) at 7 pm. Please sign in at the registration desk before going to class. Leaders and followers are often needed in the beginner class. Please consider helping when you can. See Carol or Linda for more information.

*Share Your Move: Have you seen someone doing a move that you would like to learn. Do you have a favorite move you would like to share with others? Bring it to the main floor on the 20th. No mic, small group(s), This is a chance to spend a little more time learning or showing something new without being "in the spotlight, without a mic and in small groups and not having to move off a busy dance floor to the sidelines. An informal, fun way to learn!

Swing, Part 3

By Joe Sepesy

Triple step, triple step, rock step.
You try the boogie, I'll try the woogie. You dance to doo-wop. I'll dance to bebop.

Triple step, triple step, rock step.
You bring the rhythm, and I'll bring the blues. You do a jitterbug while I cut a rug.

Triple step, triple step, rock step.
You do the jump, and I'll do a jive. You shimmy and shake. I'll slip and slide.

Triple step, triple step, rock step.
You like East Coast, I like West. You prefer triple time. I prefer single time.

Triple step, triple step, rock step.
Oh, Let's just ... swing!
